

Our menu features some very fruit driven, refreshing whites, wines made from indigenous varieties and the rugged landscape and climate of the Alps.

We are proud to represent the great wines of Champagne, Burgundy, Bordeaux, Italy, Germany, California and South Australia.

In Heritage we believe that wines should be introduced more by grape varieties than region or name. Hence we have created our wine list accordingly for you to share our passion for different grape varieties as riesling, chardonnay, pinot noir, and much much more.

We have created a selection of wines by glass to match each course of our menu
